Participation fee for season 2024/2025 is **€20**

Participation fee shall be paid using the web site: <enter web site address here>

NOTE: prior to paying the participation fee, one should first obtain an FIM Advantage Card, by registering on: **https://fim-advantage.com/**

Reg. 4 ITC Application

The application which needs to be used for trip tracking and Points of Interest (POI) visit confirmation is:

REVER - https://www.rever.co/

NOTE: Participants must learn to use the REVER app following the instructions on their web site. CTL will only accept correct logged trips and POI visits in REVER app and use this data for ITC ranking.

Reg. 5 POI Listing

POI listing will be available on the FIM Touring web site - https://fim-touring.com/ and in the REVER app, once participants join the ITC Challenge

Reg 6. Classification

According to Art 4 "Classification" of the FIM Code for Touristic Gatherings (CTG), section 2.3 "International Travellers Chellenge"

Each POI has the value of 1 point.

Each participant must check-in to at least 2 countries to be classified.

Official ranking published by CTL is definitive (not the one published by ITC Application – Rever)

Distance covered is used in a case of the tie – 1 kilometer equals 1 point (miles are going to be converted in kilometers)

After the end of the ITC season 2024/2025 as it is defined in Reg. 3.1, the Executive Committee will process and publish the results, no later than **01.12.2025.**

Reg 7. Awards

According to their points, participants will be ranked in the ITC Wall of Fame, and result of each year will be published on the FIM Touring web site

Distinction plates will be awarded and delivered to first three ranking participants.

First ranking participant will have the chance to write the story about the travels during the season, which will then be published on FIM social media.
